

# 5th grade Bookmark Contest

**Earth Day is an annual event celebrated around the world on April 22 to demonstrate support for environmental protection. First celebrated in 1970, it now includes events coordinated globally by the Earth Day Network in more than 193 countries. To commemorate the 50<sup>th</sup> anniversary of Earth Day, the United States Postal service is again issuing an Earth Day stamp. Other countries, too, have celebrated Earth Day with a postal stamp. Now, we want you to join in on the fun!**
